

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

At the time and place appointed, said commissioner shall strike off six names, and the person or persons interested in said drain or drains shall strike off a like number; and if either or both parties fail to strike off, such sheriff or constable shall do so for him or them, and the names remaining on such list shall form the jury; and thereupon said commissioner shall issue a *venire*, under his hand, directed to any constable, or to the sheriff of said county, commanding him to summon said jury to be and appear before said commissioner, at a time and place to be named in said *venire*, to determine the necessity for the construction of any such drain or drains, and the amount of damage sustained by any person or persons owning or interested in any of the lands through which such drain or drains may be constructed. If the jury shall not all appear within one hour after the time of appearance named in said *venire*, said commissioner shall direct the officer to summon a sufficient number

of competent jurors, as aforesaid, as talesmen, to complete the panel; and when the panel shall be full, said commissioner shall administer unto each juror an oath, well and truly to examine and determine the necessity for constructing said drain or drains, and to assess the damages sustained by any person or persons owning or interested in the lands through which the same shall pass. Said jury shall thereupon proceed to examine such swamp, marsh, or other low land, to determine the necessity for constructing such drain or drains, and if they shall, on a careful examination of the whole matter, be of the opinion that it is necessary to construct said drain or drains, they shall proceed to assess the damages which any person or persons shall sustain by reason of the construction of the same, and shall certify, in writing, their doings, and the amount of damages so assessed, to said commissioner; and said jurors shall each be entitled to receive one dollar per day, and six cents per mile for traveling, in going to the place or places where such drain or drains shall be located, to be paid according to the provisions of this act.

Sec. 6. Said commissioner may, instead of calling a jury as provided in section five of this act, apply to a court of record having jurisdiction in said county, for the appointment of three special commissioners to examine such swamp, marsh, or other low land, and determine the necessity for the construction of any drain or drains therein, and the amount of damages that any person or persons will sustain thereby. It shall be the duty of said court of record, on such application, to appoint such special commissioners, and deliver to said drain commissioner a certificate of the appointment of said commissioner, and the commissioners so appointed shall determine the necessity for constructing any drain or drains so applied for, and assess the damages to which any person or persons shall be entitled by reason of the construction thereof, in the same manner and under the same restrictions imposed on a jury of freeholders in section five of this act, and shall certify in writing, their determination to said drain commissioner.

Sec. 7. If at this or at any prior stage of the proceedings, all the owners of the lands through which such drain or drains are located shall, by themselves, their agents, or attorneys, pay to said commissioner all the costs and expenses thus far incurred by him, and severally enter into contract with said commissioner, with good and sufficient surety, and in such sum as said commissioner may require, to construct so much of said drain, and on such route, and of such dimensions as said commissioner may in said contracts determine and assign to said owners respectively, and the expenses to be incurred in accepting said contracts or otherwise, and collection in case of non-fulfillment, then said commissioner may so contract with said owners; and such drain, when so finished and accepted, shall be recorded by said commissioner as a drain lawfully constructed, in pursuance of the provisions of this act. If any of said contracts are not fulfilled by the time limited therein, said commissioner may prosecute the same to final settlement and collection, with all lawful costs and expenses attending such collection.

Sec. 8. If all the owners of lands through which such drain or drains are located shall not pay the expenses incurred, and contract to build such drain or drains, as provided in section seven of this act, said commissioner shall make, or cause to be made, maps of said lands, designating thereon the length, depth, width, position, and direction of every ditch or drain by him laid out and established, also the number of acres of every section or part of section of lands to be benefited by said ditches or drains, and shall estimate and assign the construction of an equitable part or parts of such drain or drains to each parcel of land to be so benefited, describing such parts of drains by said division stakes, and stakes subdividing such divisions, if need be. And where such drain or drains will benefit highways, said commissioner shall estimate also the amount of such benefit, and assign the same to the township to which such highway belongs. He shall also make an estimate of the sum necessary to be raised to pay the incidental expenses of making

such ditches or drains, and for damages, if any, and the portion thereof that ought to be assessed on each parcel, section, or part of section of land to be benefited thereby, and the amount to be raised in each township for such incidental expenses and damages. The incidental expenses, damages, and expense of construction of drains shall be assessed on the several parcels of lands benefited or injured, in proportion to the benefit or injury to accrue to each such parcel of land from such drains: *Provided*, That no assessment shall be levied on the lands not actually benefited. Proviso.

Sec. 9. Said commissioner shall give at least fifteen days' public notice in some newspaper published and circulating near such drain or drains, of the time or times when, and the place or places where he will meet parties to contract for the excavation and construction of such drain or drains, such place or places to be convenient of access by the people resident near and interested in the proposed drain or drains; and at least three such notices shall also be posted in the most public places of travel and resort in each township, and, as near as may be, along the line of such proposed drain, at least ten days next preceding such meeting. Said commissioner shall also name in or in connection with such published and such posted notices a convenient place near such drain or drains, and a time not less than three days, nor more than five days prior to the day fixed in said notices for letting the construction of such drain or drains, at which place and time he will exhibit maps of the proposed drain or drains, and descriptions of the several parcels of land by him deemed to be benefited thereby, and the amount and description, by divisions and subdivisions, of the proposed drain or drains by him apportioned to the owner of each description of land to construct, and to each township to construct on account of such drains benefiting highways, if any such benefit there be, and hear reasons, if any are offered, why such apportionments should be reviewed and corrected. And if at this time two-thirds of the persons whose lands are to be taxed for such drain or drains enter a protest against said

drain, and pay the costs and expenses up to this time, all proceedings for the construction of said drain or drains shall be suspended for one year. Between such day of hearing and review and the appointed day of letting, the commissioner shall, if need be, revise and correct his apportionments of such drain or drains. At the time and place for letting named in said notices, the owner of each such parcel of land, or his or her agent or attorney, may appear, and make and execute to said commissioner a contract or contracts, with good and sufficient surety, for the faithful performance of the excavation and construction within the time limited by said commissioner in such contract or contracts, of so much of such drain or drains as said commissioner has adjudged or set off to such land. When any part of such drain or drains is offered to be let, and the owner of the land to which it is assigned, or his or her agent or attorney, shall not at once, and without unnecessary delay, enter into contract as aforesaid, to excavate and construct the same, as provided in this section, it shall be the duty of said commissioner to let the same to the lowest responsible bidder or bidders therefor, who shall execute and file a contract or contracts, with good and sufficient surety, as aforesaid, with said commissioner, for the faithful performance of the excavation and construction of the same, according to said contract or contracts; and the cost of such excavation and construction, and its portion of the incidental expenses and damages, shall be levied and assessed upon the land to which such part or parts of said drain or drains have been assigned, as aforesaid. If at the time of letting said drain or drains, according to said notice, no suitable land-owners or bidders for the construction of the same, or any part thereof, appear to take or bid and contract, with good and sufficient surety, for the construction and completion of the whole of the same; or for any other cause, by said drain commissioner deemed important and sufficient, he may postpone and adjourn such letting, in whole or in part, and from time to time, to such other time or times, to be by him, at the time of such adjournment, publicly announced, as shall to him seem

meet and proper, but not in all for more than thirty days from and after the time of the letting at first advertised and noticed as aforesaid. At the hearing and the letting provided for in this section, one or more of the commissioners of highways of any township named in said notice, and to which has been assigned any construction of drain, or tax for incidental expenses, or damages on account of benefit by such drain or drains to highways, may appear and act in behalf of such township. Any taxes so assessed on State lands shall be at once reported by said commissioner to the Commissioner of the State Land Office, who shall enter on the books of his office against each description of such State land, the amount of drain taxes assessed thereon; and no patent shall issue for such lands until said drain taxes are paid or otherwise provided for. Any person, resident in said county, failing or neglecting to file, in writing, with said commissioner on or before such appointed day of hearing and review, his claim for damages, or objections to such assessments, shall be held to have waived his claim for damages, and his right to appeal.

When any part or parts of such drain or drains are not finished within the time limited by contract, said drain commissioner may, in his discretion, at any time thereafter, extend such contract or contracts, or re-let such unfinished drain or drains, or any part thereof, by public sale or otherwise, after not less than five days' notice thereof, to the lowest responsible bidder or bidders, and shall take security, as before. The cost of completing such parts, and the expense of notices and re-letting shall be collected by said commissioner, of the parties at first contracting to construct the same, or partly collected of such parties, and partly assessed on the lands to which the construction of such parts was assigned, as may be deemed just and equitable; and said commissioner shall see and provide that the finished portions of any drain by him laid out, established and constructed, shall have free outlet, as far as may be, within the limits of his jurisdiction.

Said commissioner shall make a full report of all his doings in the premises, accompanied with maps, and with surveys if necessary, and all other matters needful to a full exhibition of his action on such drain, and present the same to the board of supervisors at their next annual meeting, using such blanks and forms as may be necessary for this purpose; and the board of supervisors shall, at said meeting, charge the aggregate sums as they are so apportioned, against the proper townships, and direct the supervisor of each township in which any portion of said drain or drains may be ordered to be constructed, or tax levied, to levy the same upon the several parcels of land described in said report of his township, according to the apportionment of said commissioner, and direct the township treasurer to collect and pay said sums to the county treasurer, in like manner, and at the same time with other taxes: *Provided*, Said report and apportionment shall contain a description and assessment of all lands through which such drain or drains may run, or which in his opinion are actually benefited thereby; he shall also file a copy of said report with the county treasurer, after the levy of such tax by the board of supervisors.

Sec. 12. It shall be the duty of the county treasurer to return all lands upon which a tax shall be levied under this act, delinquent for such tax, to the Auditor General, and the same shall be advertised and sold therefor, at the same time, and in the same manner, and subject to the like redemption as lands delinquent for other taxes. In case any lands belonging to individuals charged with a drain tax shall be bid off to the State, or sold to other parties, at the tax sales, the State Treasurer shall pay over to the proper county treasurer the amount of such drain taxes.

Sec. 13. Said commissioner shall have power to re-locate any drain or drains, and to alter or vary the size, or extend the line thereof, with the consent of the contractor or contractors, if such extension be necessary to provide a suitable outlet; and the power herein conferred on said commissioner, for digging

and draining, shall also extend to and include deepening and widening, and clearing out any ditches or drains which have heretofore been or may hereafter be constructed; also straightening, cleaning out, and deepening the channels of creeks and streams; but no expense exceeding twenty-five dollars on any one drain or creek shall be charged and assessed as aforesaid, unless upon such application as provided for in section four of this act.

And the township to which any road along or across which any drain has been made belongs, shall pay towards the construction of such drain, such sum as the drainage commissioner shall estimate as aforesaid as the benefit accruing to such road from such drain. A drain may be laid along any railroad when necessary, but not to the injury of such road; and when it shall be necessary to run a drain across a railroad, it shall be the duty of such railroad company, when notified by said drain commissioner to do so, to make the necessary opening through said road, and to build and keep in repair a suitable culvert.

and sixty-nine, recommend in writing to a court of record in and for said county, three or more electors and inhabitants of said county, and not supervisors, to be known as drainage commissioners of such county; and said court of record, if it approve the persons so recommended, shall certify severally the appointment of three of them, on such recommendation, as said drainage commissioners; certificates of such appointments shall be filed with the county clerk. But said court of record may reject any of the persons so recommended, as unsuitable or unqualified for said office, and upon like recommendation, or upon petition of twenty resident freeholders, shall appoint other discreet freeholders, electors and residents in said county, to complete the said number of three such drainage commissioners, and certify such appointment to the county clerk as aforesaid. One of said commissioners shall be appointed for the term of one year, one for the term of two years, and one for the term of three years, each to hold his office until another shall be appointed in his place and duly qualified; and at their annual session in each year thereafter, the board of supervisors may recommend, and the court appoint one commissioner for three years, and until his successor is chosen and qualified. Said commissioners shall have power, and it shall be their duty, on application, as provided in this act, to lay out, establish, and cause to be constructed such ditches and drains, and to clear out, straighten, and deepen such streams and water-courses as they may deem necessary for the public health, and to assess the damages, if any are allowed by them, to which any person or persons shall be entitled by reason thereof. All orders on the drainage fund shall be drawn by the clerk and countersigned by the chairman of said board of drain commissioners; and the clerk of said board shall record in a book or books, to be provided by the county for that purpose, the proceedings of said commissioners, and shall file and preserve in his office all papers pertaining thereto, and deliver the same to his successor in office. In case less than the whole of any parcel described in the statements aforesaid shall be sold for the taxes, interest, and charges thereon, the portion thereof sold shall be taken from the north side or north end of such parcel, and shall be bounded on the south by a line running parallel with the northerly line thereof, unless the same be an irregular fraction; in which case the portion thereof so sold shall be bounded on the south by a line running due east and west.

Sec. 86. The county treasurers may, in their discretion, require immediate payment of any person to whom any parcel of such land shall be struck off; and in all cases where payment is not made in twenty-four hours he may declare the bid canceled, and at his discretion sell the land again; and any person, to whom any parcel of land shall be so struck off, neglecting for twenty-four hours after the close of such sale to pay to the county treasurer the amount of such bid, shall forfeit to the State five times the amount of such bid, which amount may be recovered, in the name of the people of the State of Michigan, in an action of debt, in any court of competent jurisdiction.

Sec. 87. If any parcel of land cannot be sold to any person for the taxes, interest, and charges, such parcel shall be passed over for the time being, and shall, on the succeeding day, or before the close of the sale, be re-offered; and if, on such second offer, or during such sale, the same cannot be sold for the amount aforesaid, the county treasurer shall bid off the same for the State.

Sec. 88. All lands bid off for the State, as provided in the last preceding section, shall continue liable to be taxed in the same manner as if they were not the property of the State, and such taxes shall be a charge upon such lands.

Sec. 89. The several county treasurers shall receive, on such sales, such funds only as shall at the time be receivable by law at the State treasury; and all moneys received at such sales shall be paid into the State treasury on or before the fifteenth day of November next after the time of such sale, and the expenses of advertising and sale shall be paid therefrom on the Auditor General's warrant, and the remainder shall be placed to the credit of the general fund as received.

Sec. 91. On presentation of such certificate of sale to the Auditor General, after the expiration of the time provided by law for the redemption of land sold as aforesaid, he shall execute to the purchaser, his heirs or assigns, a deed of the land therein described, unless the sale thereof shall have been redeemed or annulled as by law provided, which deed shall be *prima facie* evidence of the regularity of all the proceedings, from the valuation of the lands by the assessors to the date of the deed inclusive, and of title in fee in the purchaser, and every such deed shall be witnessed and acknowledged in the manner prescribed by law for witnessing and acknowledging deeds in other cases.

Sec. 92. In case of the loss of such certificate of sale, the purchaser, or his legal representative or assignee, may file his affidavit of such loss, and that he was at the time of such loss the *bona fide* and legal holder thereof; and the Auditor General shall thereupon execute, as aforesaid, a deed for the lands described in such certificate, if the same shall not have been redeemed, in the same manner as though it had been presented and surrendered; and, if the same shall have been redeemed, on the presentation of such affidavit, the money shall be paid to

such person in the same manner as though the certificate of sale had been surrendered. Any person who shall make an affidavit, as above required, or concerning any other matter which may be filed in the office of the Auditor General, shall be liable to the penalties of perjury, for any false statement made in such affidavit with intent to defraud, upon conviction thereof, before a court having jurisdiction of the offense.

Sec. 93. Any person owning any of the lands sold as aforesaid, or any interest therein, may, on or at any time previous to the thirtieth day of September next succeeding such sale, redeem any parcel of said lands, or any part or interest in said lands, by showing to the satisfaction of the Auditor General or county treasurer that he owns only that part or interest in the same which he proposes to redeem, and by paying at his option into the State treasury or to the treasurer of the county where such land is situated, the amount for which such parcel was sold, or such portion thereof as the part or interest redeemed shall amount to, with interest thereon at the rate of fifty per cent. per annum; of which interest twenty-five per cent. shall be paid by the State Treasurer to the purchaser, and twenty-five per cent. shall belong to the State and be passed to the credit of the general fund.

Sec. 94. When any land shall be redeemed as provided in the preceding section, the interest shall in all cases be computed from the day of sale up to the end of the current quarter of the year limited for such redemption.

Sec. 95. Upon the payment of the redemption money and interest to the county treasurer as aforesaid, he shall issue duplicate certificates of redemption in the usual form, both of which certificates shall be countersigned by the county clerk, who shall make an entry of the number of each certificate, the amount for which it was given, and the name of the person paying the same; one of which certificates shall be delivered to the person making the payment, and the other shall be transmitted by the county clerk to the Auditor General, on the first

upon such person executing and filing with the said Auditor a similar bond, with sureties as above mentioned, to be by him approved, conditioned for the faithful and prompt payment to the State Treasurer of all moneys which may come into his hands, as the proceeds of such sale or otherwise, belonging to the State, whenever required so to do by the Auditor General, as aforesaid; and a reasonable compensation for the services of such person shall be allowed and paid out of said proceeds.

Sec. 99. If the Auditor General shall discover, before the sale of any lands, as aforesaid, that for any reason they should not be sold, he shall cause the same to be withheld from sale; and, if the error through which said lands were offered for sale originated with the township or county officers, the amount for which they were so offered shall be charged against the county from which the tax was returned, and the supervisors of such county shall cause the same to be refunded to the State treasury.

Sec. 110. The county treasurer receiving such certificate of the Auditor General, shall lay the same before the board of supervisors at their next session thereafter, and if such taxes shall have been rejected or charged back by the Auditor General, except for the reason that such land was not subject to taxation at the time of the assessment for such taxes, or that the taxes thereon had been once paid, or that there had been a double assessment thereof, the board of supervisors shall cause the same to be re-assessed upon the same land, and collected with the taxes of the then current year, and in the same manner.

Sec. 115. If any such taxes cannot be properly re-assessed ^{Ibid.} upon the same lands, the board of supervisors shall cause the same, or any part thereof, under the limitation aforesaid, to be assessed upon the taxable property of the proper township, as may appear equitable.

Sec. 116. If at any time it shall be discovered that the treasurer of any township has received the tax assessed upon property which he has returned delinquent, the supervisor shall have power, and he is hereby required to collect the same, in the name of his township, from such treasurer or his sureties, together with interest and charges. ^{Liability of collector, etc.}

Sec. 123. The county treasurer shall, on payment of the purchase money at such sale, issue certificate[s] of sale to the purchasers in such form and make such returns to the Auditor General as shall be prescribed by him, and shall also transmit the moneys received on such sale to the State Treasurer, in such manner as is provided in section eighty-nine of this act.

Right of the State to enforce collection of taxes, etc., not to be prejudiced.

Sec. 134. Neither the sale of any State tax lands, nor the sale of any of the bids of the State for which the time of redemption has not expired, shall in any wise prejudice the right of the State to enforce the collection of any tax subsequent to the year or years for which the same have been sold as aforesaid, and for the taxes and charges remaining unpaid for such subsequent year or years, the Auditor General shall cause such lands to be offered in regular succession, at the next ensuing annual sales for taxes, in the proper county, giving the notice required by law, unless previously redeemed or otherwise discharged.

No general or special tax authorized to be raised by the laws of this State, and which shall be assessed upon any property in any township or ward within the State, shall be held illegal or invalid for want of any matter of form in any matter or thing not affecting the merits of the case, and which shall not prejudice the rights of the party assessed; nor shall any sale of property for non-payment of the taxes thereon be invalid unless it shall be made to appear that the legal taxes, costs, and charges were tendered to the proper officers within the time limited by law for the payment of all such taxes; or, in case of the sale of real estate, unless it shall be made to appear that all legal taxes assessed upon such real estate, together with all legal costs and charges thereon, were tendered to the officer authorized to receive such redemption money, within the time limited by law for the redemption thereof, and all taxes assessed upon any property in this State shall be presumed to be legally assessed until the contrary is affirmatively shown; and no sale of real estate for non-payment of the taxes thereon shall be rendered invalid by showing that any paper, certificate, return, or affidavit required to be made and filed in any office is not found in the office where the same ought to be filed

or found; but, until the contrary is proven, the presumption shall be, in all cases, that such certificate, paper, return, or affidavit was made and filed in the proper office.

Proof required to defeat title to deed of land, sold for taxes.

Sec. 164. In all suits and controversies involving the title to land, claimed and held by virtue of a deed executed by the Auditor General of this State, for non-payment of the taxes thereon, the person claiming adverse title to such deed shall be required to prove, in order to defeat the title conveyed by such deed, either that the land described therein was not subject to taxation at the date of the assessment of the tax for which it was sold; or that the taxes, for the non-payment of which such land was sold, were paid to the proper officer within the time limited by law therefor; or that the same had not been assessed for the taxes for the non-payment of which it was sold; or that the same had been redeemed pursuant to law; or that a certificate, in proper form, had been given by the proper officer, within the time limited by law for paying taxes, or redeeming from sales made for the non-payment thereof, stating that no taxes were due, or that the lands were not subject to redemption; but no person shall be permitted to question the title acquired by such Auditor General's deed, without proving that he, or the person through whom he claims title, had title to the land at the time of the sale thereof for non-payment of taxes, or subsequently, which title was acquired from the United States or from this State.

When conveyance by Auditor General shall prove invalid, etc., the lien of State for taxes shall remain in full force, etc.

also the amount of all subsequent taxes paid by the person holding such title from the Auditor General, with like interest; and such claim shall be a lien upon such lands, and the same shall be bound for the payment thereof; and, in case judgment shall be rendered against the person holding title from the Auditor General, as aforesaid, for the recovery of such land, in any action of ejectment, or other action, either at law or in equity, the court shall ascertain the amount due to the party holding such tax deed, for principal and interest, and for all improvements made by him on such lands, and shall decree the payment thereof within such reasonable time as may be determined by such court; and in default of such payment, shall decree that such lands be sold therefor, or sufficient thereof to pay the account [amount] of such improvements, principal and interest, due to the party having such Auditor General's deed: *Provided*, That there shall be [no] right of redemption of such Proviso. property after the date of sale.

Sec. 166. Any person holding any deed of lands, executed by the Auditor General for non-payment of taxes, may commence a suit in the circuit court in chancery, of the county where such lands lie, to quiet his title thereto, without taking possession of such lands; and all parties who have or claim to have, or appear of record in the register's office of the county where such land is situated, to have any interest in such land, may be made defendants in such suit; and no outstanding unrecorded deed, mortgage, or claim shall be of any effect as against the title or right of the complainant, as fixed and declared by the decree made in such case; and if, upon hearing of such cause, it shall appear that the complainant's title was invalid for any cause not enumerated in section one hundred and sixty-four of this act, such suit shall not be dismissed by the court, but the court shall ascertain the amount due to the complainant, for principal, and interest to be computed at twenty-five per cent. per annum, and shall decree the payment thereof within a reasonable time, by the owner of such land,

JOINT RESOLUTIONS.

[No. 1.]

JOINT RESOLUTION asking the Congress of the United States to pass the tariff bill now pending in the Senate, for the relief of copper mining.

Whereas, Foreign ores, mostly the product of peon and slave labor, have to a large extent been imported, and continue to be imported into the United States at a nominal rate of duty, to wit, five per cent. *ad valorem*;

And whereas, The rates of duty on all articles which enter into copper mining are so high as to make the discrimination in favor of foreign ores and against copper mined in this country palpably unequal, unjust, and most oppressive to the copper mining interests of the United States;

And whereas, The State of Michigan is largely interested in the production of copper, and the mines of Michigan, in consequence of such an unequal taxation, and of the competition growing out of the importation of such foreign ores, are in a greatly depressed and prostrated condition, more than three-fourths of the active mining companies having suspended work altogether, causing great distress among a hard-working and industrious population, entirely dependent on the working of the mines for support, and also preventing the development of the great mineral wealth of our State;

And whereas, A bill for the relief of the copper mining interest of our country, which interest is one of the most important in this State, has passed the House of Representatives by a vote of more than two-thirds of its members, and is now pending in the Senate;

And whereas, Iron, lead, and other mineral products of the United States are protected by a duty of about fifty per cent., while foreign copper ores, under present rates, pay five per cent. only;

And whereas, The bill now pending in Congress calls for a duty of only twelve to fifteen per cent. *ad valorem*; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, in Legislature assembled, That the Senate of the United States be and are hereby most respectfully, but earnestly and specially called upon to give this most important measure, now in their hands, a favorable consideration; and the Senators from Michigan are hereby instructed, and our Representatives in Congress are requested to use all honorable means to promote the passage of the bill referred to.

Approved January 8, 1869.

[No. 2.]

JOINT RESOLUTION asking Senators and Representatives in Congress from Michigan, to secure the passage of the river and harbor appropriation bill, now pending in the United States Senate.

Resolved by the Senate and House of Representatives of the State of Michigan, That our Senators and Representatives in Congress be and are hereby requested to use their best endeavors to secure the early passage of the House bill appropriating money for the improvement of the harbors within the State of Michigan, now pending before the U. S. Senate.

Resolved, That his Excellency the Governor be requested to transmit copies of the foregoing to each of our Senators and Representatives in Congress.

Approved January 30, 1869.

[No. 3.]

JOINT RESOLUTION to provide for paying publishers of newspapers for publishing the constitution of eighteen hundred and sixty-seven, as provided by the schedule of said constitution.

Whereas, The constitutional convention of eighteen hundred and sixty-seven, made provision in the schedule for the payment, under the direction of the Legislature, of twenty dollars to every publisher of a newspaper in the State who published the proposed constitution in the month of January, in the year one thousand eight hundred and sixty-eight; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That the State Treasurer be and he is hereby required to pay upon the warrant of the Auditor General, twenty dollars to every publisher of a newspaper in this State, who furnishes satisfactory proof to the Auditor General that he published said constitution as required by said convention.

2d. Said resolution shall take immediate effect.

Approved January 30, 1869.

[No. 4.]

JOINT RESOLUTION asking for a grant of \$50,000 in money, to deepen St. Mary's Falls Ship Canal.

Whereas, The draft of water in St. Mary's Falls Ship Canal, connecting lakes Huron and Superior, is only eleven feet;

And whereas, The transportation of iron, iron ore, copper, and other freights has greatly increased, and will increase still more rapidly in the future; and the completion of the Saint Paul and Lake Superior Railroad will soon create a large commerce in wheat and other products from Minnesota and northern Wisconsin, over this thoroughfare;

And whereas, The present depth of said canal is now insufficient for the passage of loaded vessels of the size heretofore and now in use in the upper lakes, thus compelling vessels to

take on only partial cargoes, to the great detriment of the commerce, mining, and other interests of this region;

And whereas, The deepening of said canal twelve or eighteen inches, can be accomplished for the sum of \$50,000, and thereby a sufficient depth be given for all the lake craft plying on said waters; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That our Senators in Congress be instructed, and our Representatives requested to use all honorable means to obtain an appropriation of \$50,000 in money, to be expended in deepening St. Mary's Falls Ship Canal.

Resolved, That the Governor be and he is hereby requested to transmit copies of this joint resolution to each of our Senators and Representatives in Congress.

Approved February 18, 1869.

[No. 5.]

JOINT RESOLUTION asking Senators and Representatives in Congress from Michigan, to urge the speedy erection of a light-house at the mouth of the Manistee river, in the county of Manistee.

Whereas, The rapidly increasing commerce of the port of Manistee, in the county of Manistee, urgently requires the speedy erection of a light-house at said place;

And whereas, An appropriation has been made by the Congress of the United States for the purpose of erecting a light-house at the place aforesaid;

And whereas, A deed of a site for said light-house has been duly executed and delivered to the proper officer to receive the same; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That our Senators and Representatives in Congress be and are hereby requested to use their best endeavors

to secure the speedy erection of a light-house at Manistee, aforesaid.

Resolved, That the Governor be requested to transmit copies of the foregoing preamble and resolutions to our Senators and Representatives in Congress.

Approved February 24, 1869.

[No. 6.]

JOINT RESOLUTION requesting our members of Congress to use their influence in procuring the passage of an act granting the right of way and aid to the State of Michigan, for the purpose of aiding in building a railroad from the shore of Green Bay, or Bay De Noc, to the iron district, in Menominee county.

Whereas, Large deposits of iron ore have, within the last two years, been discovered in the interior of Menominee county;

And whereas, The whole country between the shore of Green Bay and said deposits of iron ore is a wilderness, with no roads or settlements;

And whereas, To open up said mines and to make them useful to this State and nation, it is necessary that a railroad be constructed to the same; and believing that not only the State, but the whole country will be benefited by opening said mines to the world; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That our Senators and Representatives in Congress be requested to use all proper efforts for the passage of an act granting the right of way through lands of the United States, and aid for the construction of a railroad from said deposits of iron ore, to the most feasible point on Green Bay, or Bay De Noc: *Provided*, That if the aid asked shall be granted in the form of an appropriation of lands, said lands shall not be taken out of market, but shall be held subject to sale, and the proceeds thereof held as a fund in trust to be applied in aid of said railroad.

Resolved, That the Governor be requested to transmit copies of the foregoing preamble and resolutions to our Senators and Representatives in Congress.

Approved March 4, 1869.

[No. 7.]

JOINT RESOLUTION to provide for applying the surplus funds in the State treasury, in payment of the interest-bearing bonds of the State.

Whereas, It is shown by the recently published report of the State Treasurer, that there is a large surplus fund in the State treasury;

And whereas, Prudence and sound policy require that all surplus funds in the State treasury, over and above what is absolutely necessary to be retained therein for the payment of current expenses and appropriations, should be applied as rapidly as possible by the State Treasurer, in payment of the interest-bearing bonds of the State, without being restricted to the payment of any particular class of bonds, but being authorized to pay and redeem any of the interest-bearing bonds of the State, that he can procure to the best advantage, at a rate not exceeding their par value, which he has not heretofore been fully authorized by law to do;

And whereas, None of said bonds become due prior to January first, eighteen hundred and seventy-three, and none are redeemable at the pleasure of the State, except the war loan bonds, of which there are now outstanding, drawing interest, the amount of eight hundred and ninety-six thousand five hundred dollars, which, according to their terms as expressed in the bonds, are payable on the first day of January, eighteen hundred and eighty-six, or at any time prior thereto, that the State of Michigan may choose;

And whereas, While the experience of the past year has demonstrated that the bonds of this State, other than the war loan

bonds, cannot be purchased in any considerable quantities, except at a premium, fortunately for the State, these war loan bonds, by their optional provision afford an opportunity by their redemption to largely reduce the State indebtedness, and save annually a large amount of interest without the payment of any premium; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That it shall be the duty of the Governor, the State Treasurer, and the Auditor General, on the "twenty fifth day of March, eighteen hundred and sixty-nine," and at least once in every six months thereafter, to jointly examine into the condition of the treasury, as to the amount of money on hand and the probable current receipts and necessary disbursements, and to determine the maximum amount of funds that can then be used for the purchase of State bonds, after retaining a sufficient amount in [the] treasury to meet the current demands upon it that are authorized by law.

Resolved further, That when the Governor, State Treasurer and Auditor General shall, according to the preceding resolution, have determined what amount can safely be used for the purchase of bonds, it shall then be the duty of the State Treasurer, as rapidly as possible, to invest the amount so determined, or such a portion of it as he is able, in the purchase of any of the interest-bearing bonds of this State, other than the war loan bonds, at a rate not exceeding their par value; and whatever portion of said amount he is not able to so invest prior to the thirty-first day of March and the thirtieth day of September in each year, he shall then use in the payment of the war loan bonds, in the manner provided in the act authorizing their issue, being act number five, of the laws of eighteen hundred and sixty-one, extra session, until all [of] said war loan bonds are paid and redeemed, and all the bonds paid in accordance with the provisions of this joint resolution shall be canceled in the manner provided by law.

Resolved, That this joint resolution shall take immediate effect.

Approved March 6, 1869.

[No. 8.]

JOINT RESOLUTION for the relief of Theron Ford and William H. Haze.

Whereas, By act number two hundred and thirty-one, of the session laws of eighteen hundred and forty-eight, and the acts amendatory thereof, the Board of State Auditors were authorized, on application in writing by any religious denomination of professing Christians, and the payment of the sum of five dollars, to convey to such societies suitable grounds for the erection of houses of public worship in the town of Michigan (now city of Lansing;)

And whereas, Lot number one, block number eighty-three was selected by the "New Church Society," and the said sum of five dollars was paid by said society, and a certificate of sale was issued to said society, as appears by the records in the office of the Commissioner of the State Land Office;

And whereas, The said New Church Society having failed to pay the taxes upon said lot, the same was repeatedly sold and deeded by the State for taxes;

And whereas, Theron Ford, of Lansing, Ingham county, Michigan, has purchased the title to the north forty-four feet, and William H. Haze, of the same place, has purchased the title to the south twenty-two feet of said lot one, block eighty-three, transferred, as aforesaid, by the State in said tax deeds; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That the Board of State Auditors are hereby authorized and directed to convey to the said Theron Ford the said north forty-four feet, and to said William H. Haze the said south twenty-two feet of lot one, block eighty-three, according

to the recorded plat of the said city of Lansing, upon the payment into the State treasury by Theron Ford, of two-thirds, and by William H. Haze of one-third of the original valuation of lot one, block eighty-three aforesaid, and interest from the date of the first tax deed from the sale of said lot: *Provided*, That neither said Theron Ford, William H. Haze, nor any other person shall have any claim upon this State for money paid for taxes, or for tax titles on said lot one, block eighty-three.

This joint resolution shall take immediate effect.

JOINT RESOLUTION ratifying the proposed amendment to the Constitution of the United States.

Whereas, The Congress of the United States, after solemn and mature deliberation therein, has by a vote of two-thirds of both houses, passed a concurrent resolution, submitting to the Legislatures of the several States a proposition to amend the constitution of the United States, which resolution is in the following words:

Resolved by the Senate and House of Representatives of the United States of America, in Congress assembled, (two-thirds of both houses concurring,) That the following article be proposed to the Legislatures of the several States as an amendment to the constitution of the United States, which, when ratified by three-fourths of said Legislatures, shall be valid as part of the constitution, namely:

ARTICLE XV.

SECTION 1. The right of citizens of the United States to vote shall not be denied or abridged by the United States, or by any State, on account of race, color, or previous condition of servitude.

Section 2. The Congress shall have power to enforce this article by appropriate legislation; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That in the name and behalf of the people of this State, we do hereby ratify, approve, and assent to the said amendment.

Resolved, That a copy of this assent and ratification, engrossed on parchment, be transmitted by his Excellency the Governor to the Senate and House of Representatives of the United States in Congress assembled, and to the Secretary of State of the United States.

JOINT RESOLUTION granting block No. 137, city of Lansing, to the city of Lansing for a public park.

Whereas, Block number one hundred and thirty-seven, of the city of Lansing, State of Michigan, has been reserved from sale, and set apart as a public square, and now remains unimproved and is covered in part by a pool of stagnant water, extremely deleterious to the public health;

And whereas, The grading of adjacent streets has rendered the grading of said block and the laying down of sidewalks highly necessary; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That the Commissioner of the State Land Office be and he hereby is authorized and directed to convey to the said city of Lansing, said block number one hundred and thirty-seven, according to the recorded plat of said city, on condition that said city shall use, improve, and occupy said block for a public park, and for no other purpose.

JOINT RESOLUTION asking Congress for an appropriation of money to improve the harbor at the mouth of the Cheboygan river, on the Straits of Mackinaw.

Whereas, The great and rapidly increasing commerce of our inland seas, and the frequent great loss of life and property by shipwreck, in the vicinity of the Straits of Mackinaw, imperatively demand safe and convenient harbors of refuge;

And whereas, Duncan City, at Cheboygan river, has become one of the great lumber and timber shipping points in the State, and possesses great agricultural and fishing advantages, and its inhabitants have constructed a substantial and expensive lock around the rapids of the Cheboygan, which greatly facilitates inland navigation;

And whereas, The mouth of the Cheboygan river being naturally a good harbor, and can be dredged and deepened at small expense, and made a safe and convenient port for the larger class of vessels and steamers engaged in the enormous carrying trade of the lakes; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That our Senators and Representatives in Congress be requested to use their influence to procure an appropriation of money to improve the harbor at the mouth of the Cheboygan river.

Resolved, That the Governor be requested to transmit copies of the foregoing preamble and resolution to each of our Senators and Representatives in Congress, and to the Governors of the States of Illinois, Wisconsin, Minnesota, Ohio, Pennsylvania, and New York, with the request to call the attention of their respective legislatures to this subject, and secure their cooperation.

[No. 12.]

JOINT RESOLUTION for the payment of the claim of William Beard and others.

Whereas, The Legislature of eighteen hundred and fifty-seven, by act number one hundred and forty-seven, appropriated fifty thousand dollars from the internal improvement fund "for the improvement of the navigation over the sand flats of the Muskegon river," and the contract for said work was let to John A. Brooks, the lowest bidder, and by him was duly assigned to William Beard, of the city of Brooklyn, State of New York, who performed the work in a faithful manner, according to the contract, and the work was duly accepted by the commissioners and the then Governor of the State, and said work, after ten years of use, has proved one of great public utility and benefit to a large section of the State;

And whereas, The Board of State Auditors, under an act of the Legislature, have audited and allowed the claim of said William Beard and others, for the amount of the said contract, and interest thereon, and the Legislature of eighteen hundred and sixty-seven, by act number fifty-six, did provide for the payment of said claim by tolls to be collected from the said work;

And whereas, The Supreme Court of the State has perpetually enjoined the collection of said tolls, upon the ground substantially, that the State cannot pay its obligations by levying tolls upon the commerce of a locality;

And whereas, The act of Congress, approved June twenty-fifth, eighteen hundred and thirty-six, "supplementary to an act entitled an act to establish the northern boundary line of the State of Ohio, and to provide for the admission of the State of Michigan into the Union on certain conditions therein expressed," provides as follows: "That five per cent. of the net proceeds of the sales of all public lands lying within the said State which have been or shall be sold by Congress, from and after the first day of July, eighteen hundred and thirty-six,

after deducting all the expenses incident to the same, shall be appropriated for making public roads and canals within the said State, as the Legislature may direct," which said moneys are annually received by the State Treasurer from the General Government; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That the Auditor General be and he hereby is authorized and directed to draw his warrant upon the State Treasurer for all moneys which may from time to time, after the passage of this act, come into the State treasury from the United States as five per cent. of the proceeds of the sales of all the public lands lying within this State, under the provisions of the act of Congress providing for the admission of the State of Michigan into the Union on certain conditions, approved June twenty-fifth, eighteen hundred and thirty-six; and the State Treasurer shall pay the same to Francis B. Gilbert, of the city of Grand Rapids, the agent and trustee of William Beard and others, until a sufficient sum has been paid to liquidate the claims of said Beard and others, for the construction of the work for the improvement of navigation over the sand flats of Muskegon river, under the provisions of act number one hundred and forty-seven, of eighteen hundred and fifty-seven, as audited and allowed by the Board of State Auditors, excepting those who have accepted and received swamp lands upon their claims; and when said claims have been fully liquidated, such payments shall cease.

This joint resolution shall take immediate effect.

[No. 13.]

JOINT RESOLUTION asking the General Government for a grant of land, to aid in the construction of the Mineral Range Railroad.

Whereas, The development of the mineral resources of the Lake Superior region of the State of Michigan has become a subject of national importance;

And whereas, The greater portion of the mineral range of said region, extending from Keweenaw Point to the west end of Lake Superior, is distant from a safe harbor and approachable only by land carriages, the expense of which is so great as to preclude the successful opening and working of the mines;

And whereas, A company for the construction of a railroad on said mineral range has perfected its organization under the laws of the State of Michigan, which company proposes to build said road within ten years;

And whereas, The construction of said road will open to the market of the world the inexhaustible wealth of said mineral range, giving employment to thousands of laborers, and adding largely to the national revenue;

And whereas, The national government has adopted the policy of disposing of portions of the public domain, as a proper means to develop the resources of the country, and has made liberal grants of land to aid in the construction of railroads; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That we respectfully ask the Congress of the United States to grant to the State of Michigan six sections of land for each mile of said road, from Copper Harbor to the head of Lake Superior, said lands to be selected from the lands belonging to the general government in the Upper Peninsula, and authorizing any company that may build said railroad, to sell sixty sections of said land upon the completion of every ten consecutive miles of said railroad, or, upon the completion of each ten consecutive miles of such railroad, the general Congress will devote the proceeds of the sale of sixty sections of the land appropriated for the benefit of said road, in such manner as they shall consider best calculated to secure the early, entire and thorough completion of such railroad.

Resolved, That our Senators in Congress be instructed, and our Representatives requested to use all honorable means to secure the immediate grant of said lands for the purpose set forth in the preamble to these resolutions.

Resolved, That the Governor be requested to transmit copies of the foregoing preamble and resolutions to our Senators and Representatives in Congress.

Approved March 13, 1869.

JOINT RESOLUTION for the relief of Charles Chandler, administrator of the estate of James McDonald, deceased.

Whereas, A certificate for the sale of primary school land, numbered 694, was heretofore issued for the sale of the east half of the south-east quarter of section number sixteen, (16), in town five (5) south, of range number one (1) east, to William W. Loucks, and by said Loucks duly and lawfully assigned to James McDonald;

And whereas, Said William W. Loucks and James McDonald are both dead, and Charles Chandler, of Clinton, Lenawee county, State of Michigan, has been duly appointed by the probate court of Lenawee county, administrator of all and singular the estate of said James McDonald, deceased, and has given bond and entered upon that trust;

And whereas, The said primary school certificate, numbered 694, was in the possession of said Charles Chandler, in the office of the county clerk of said county of Lenawee, on the fourteenth day of March, 1852, with the assignment as aforesaid endorsed thereon, and was wholly consumed and destroyed with other papers in said office, by the burning of the court house of said county, in which said office was situated, on the day aforesaid;

And whereas, Said Charles Chandler, as administrator, as aforesaid, has been in uninterrupted possession of the land described in said certificate for more than twenty years; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That the Commissioner of the State Land Office

be and he is hereby authorized and directed to issue a new certificate to Charles Chandler, as administrator of the estate of James McDonald, deceased, in place of certificate numbered 694, for the sale of the east half of the south-east quarter of section sixteen, (16,) in town five (5) south, of range one (1) east, State of Michigan, issued to W. W. Loucks; that said certificate require the payment of the balance of the principal and interest unpaid upon said original certificate, as the same appears upon the books of said Commissioner, in his office, in the same manner as said principal and interest were required to be paid by said original certificate, and that when paid, said land shall be conveyed to said Chandler, as administrator of the estate of said James McDonald, as aforesaid, or his assigns.

JOINT RESOLUTION asking the Congress of the United States to make an appropriation for the completion of the harbor at the mouth of the Ontonagon river.

Whereas, The south shore of Lake Superior, for a distance of one hundred and fifty miles, has no accessible refuge for boats and vessels; and the mouth of the Ontonagon river, midway of such distance, is capable, by a moderate outlay, of being made an excellent harbor, and is the only point within such distance capable of being so made;

And whereas, The necessities of commerce on such lake require that a safe and accessible harbor should be speedily constructed at such place;

And whereas, The Congress of the United States, realizing the importance of such improvement, have appropriated a portion of the amount estimated by the government engineer necessary for the construction of the same;

And whereas, Also, the amount already appropriated has been expended, and a further appropriation recommended by

the engineers in charge, which further appropriation is necessary to meet the demands of the public, and to make useful the expenditure already incurred; therefore, be it

Resolved by the Senate and House of Representatives of the State of Michigan, That the Congress of the United States be and they hereby are requested to make such appropriation for the harbor at the mouth of the Ontonagon river, in the Upper Peninsula of Michigan, as will be necessary to complete the work already begun by the general government; and that our Senators in Congress be instructed, and our Representatives requested to use all honorable efforts in securing such appropriation.

Resolved, That His Excellency the Governor, be requested to transmit copies of the foregoing preamble and resolutions to each of our Senators and Representatives in Congress.

JOINT RESOLUTION instructing the Senators and Representatives of the State of Michigan, in Congress, relative to the Indian Reservation.

Whereas, It was provided by the treaty of July 31st, 1855, with the Ottawa and Chippewa Indians, and by the treaty of August 2d, 1855, with the Chippewas of Saginaw, Swan Creek, and Black River, that after selections of lands in severalty, for said Indians, should have been made, which selections, by the terms of said treaties, were to have been made and completed by the 1st day of July, 1856, the Indians were for the term of five years thereafter, to have the exclusive and unrestricted right to purchase, at one dollar and twenty-five cents per acre;

And whereas, The Indian Department failed to make such selections of lands for said Indians, within the time specified in said treaties; in fact said selections were not completed until the year 1866, in consequence of which neglect on the part of

the Government, the Indians have been deprived of the right to purchase said lands as provided for by said treaties, in consequence of which, large bodies of lands in this State have been kept out of the market, to the great injury of certain locations in this State, as well as injustice to the Indians; therefore, be it

Resolved by the Senate and House of Representatives of the State of Michigan, That the Senators and Representatives of the State of Michigan, in Congress assembled, be requested to use their influence for the adoption of such measures as will secure to the Indians the rights aforesaid, as contemplated by said treaties, and after which, a speedy restoration to the market, of the lands remaining undisposed of, which have hitherto been withdrawn from sale for the benefit of said Indians.

Resolved, That the Governor be requested to transmit copies of the foregoing preamble and resolutions to our Senators and Representatives in Congress.

Approved March 22, 1869.

[No. 17.]

JOINT RESOLUTION urging upon our Senators and Representatives in Congress, the importance of securing to certain Indians, and other persons, their rights to Indian reservation lands in Muskegon county.

Whereas, Under a treaty made and concluded July 31, 1855, between the United States and the Ottawa and Chippewa Indians of Michigan, the public lands in township number twelve north, of range number fifteen west, in said State, were withdrawn from sale for the benefit of said Indians, and ten years granted to said Indians in which to select or purchase such description of said lands as they were entitled to by the terms of said treaty;

And whereas, Other citizens of this State believing that said lands, not thus selected during said term, were subject to entry

as other lands, purchased, entered under the homestead act, or otherwise selected and located upon a considerable portion of the lands remaining unselected;

And whereas, Many of said settlers, acting under this belief, have made valuable improvements on said lands, and greatly increased the value thereof, as well as the lands adjoining;

And whereas, The title to a considerable portion of said lands remains uncertain, thereby greatly retarding the growth and prosperity of that locality; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That our Senators in Congress be instructed, and our Representatives be requested to urge upon Congress, and the proper authorities, the importance of securing to said Indians the rights granted to them by the terms of said treaty, of securing to said settlers their rights as specified in the preamble of this resolution, and also of bringing the remainder of said lands into market.

Resolved, That His Excellency the Governor be requested to send a copy of the foregoing preamble and resolution to each of our Senators and Representatives in Congress.

Resolved by the Senate and House of Representatives of the State of Michigan, That the Senators and Representatives of the State of Michigan, in Congress assembled, be requested to call the attention of the proper department to this important fact,

and adopt measures to guard against the spread of this dangerous and contagious disease.

Resolved, That the Governor be requested to transmit copies of the foregoing preamble and resolution to our Senators and Representatives in Congress.

JOINT RESOLUTION for the relief of Alanson Holbrook.

Whereas, On the 17th day of October, A. D. 1837, the Superintendent of Public Instruction issued, pursuant to the provisions of law, certificate number four hundred and twenty-two, of primary school lands, to John W. Mabin, of Washtenaw county, Michigan;

And whereas, On the 27th day of June, A. D. 1844, said John W. Mabin assigned said certificate, for a valuable consideration,

to Alanson Holbrook, which assignment is neither witnessed nor acknowledged;

And whereas, Under existing laws, no patent can be issued on said certificate, to said Holbrook, in consequence of said informality of assignment; therefore,

JOINT RESOLUTION relating to navigation between the United States and Canada.

Whereas, The rapidly increasing commerce between the eastern States and the north-west is calling for more ample and cheaper transportation;

And whereas, Also, certain mutual privileges are now enjoyed by both Canada and the United States, touching navigation and transportation, which ought, on the part of the two countries, to be matured into rights; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That if, by treaty or otherwise, the free navigation of Canadian waters, and the use of the Canadian canals, by the shipping of the United States, upon the same terms as by Canadian and British shipping, and the free transit by land of American merchandise across Canadian territory, can be secured in exchange for like privileges to

Canadian shipping in our waters, and British and Canadian merchandise over our soil, our Senators and Representatives in Congress are urged to use their influence to bring about such an arrangement, and in such negotiation to secure, if possible, the construction of a ship canal, connecting the St. Lawrence with Lake Champlain; and that our Government, in case the State of New York will consent thereto, offer in exchange therefor, to enlarge the Champlain canal to the same proportions as that which shall connect the St. Lawrence and Lake Champlain, and allow the use thereof upon the same terms as are imposed upon American shipping.

Resolved, That the Governor of this State be and is hereby requested to transmit copies of this joint resolution to our members of Congress.

Whereas, Mason Samson, of Tuscola county, under the laws of this State providing for the sale of State swamp lands to actual settlers, on part payment of the purchase money, the balance to be paid in two years, located the west half of the south-west quarter of section fourteen, township thirteen north, of range eight east, paying therefor the first payment required under existing laws, and received from the Commissioner of the State Land Office certificate No. 3058;

And whereas, The said Mason Samson is wholly unable to pay the balance of such purchase money for said lands, and that he has resided on said lands ever since he located the same, except two years and a half he was in the military service of the United States;

JOINT RESOLUTION to authorize the Board of State Auditors to audit and allow the account of Henry S. Clubb, for reporting for the Supreme Court of the State of Michigan, the evidence in the case of the State of Michigan *ex rel.* Frank H. White *vs.* Hermanus Doesburg.

Whereas, In the year one thousand eight hundred and sixty-seven, the case of the State of Michigan *ex rel.* Frank H. White *vs.* Hermanus Doesburg, was sent, by order of the Supreme Court of the State of Michigan, to the fourteenth judicial circuit, for trial in the county of Ottawa, requiring a full report of the evidence to be taken in said case, for the use of said Supreme Court;

And whereas, In compliance with said order from the Supreme Court, and at the request of the attorneys on behalf of the State, the circuit court while in session in said county of Ottawa, in December, eighteen hundred and sixty-seven, ordered Henry S. Clubb, a short-hand reporter, to take full note, in short-hand, of the testimony in said case, and to write out the same for the use of the Supreme Court, with the assurance that the State of Michigan would pay for the performance of said labor;

And whereas, The said Henry S. Clubb did, in the month of December, in the year of our Lord one thousand eight hundred and sixty-seven, take in full, short-hand notes of the testimony on said trial, in compliance with the order of said court;

And whereas, The said Henry S. Clubb did, in further com-

pliance with the order of said court, transcribe into plain, legible writing, said notes of the testimony aforesaid;

And whereas, The said transcript was examined by the attorneys in the case, by the Attorney General of the State, (who had charge of said case on the part of the State,) and by the Supreme Court, all of whom severally expressed their entire satisfaction at the manner in which said service was performed;

And whereas, As shown by the report of the Board of State Auditors for eighteen hundred and sixty-eight, page twenty-six, the account for reporting said testimony was rejected, for the want of authority of law to allow the same; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That the Board of State Auditors be and are hereby authorized and empowered to audit and allow said account of Henry S. Clubb, for the services above set forth, at the rates usually paid for such service to competent short-hand reporters in the city of Detroit.

JOINT RESOLUTION relative to an outstanding treasury warrant.

Whereas, It appears from the recently published reports of the State Treasurer and Auditor General, that the State Treasurer acknowledges to have on hand in the treasury, the sum of two dollars and fifty-two cents more than stands charged to him on the books of the Auditor General, which discrepancy arising [arises] from an outstanding warrant of that amount drawn many years since, and which has undoubtedly been either lost or destroyed; therefore, in order that the accounts of said financial officers may be made to agree,

Resolved by the Senate and House of Representatives of the State of Michigan, That the Auditor General be and is hereby authorized and instructed to charge the State Treasurer, as cash, on the books of the Auditor General's office, the sum of two dollars and fifty-two cents for the said outstanding warrant.

JOINT RESOLUTION asking Congress for an appropriation of money, to improve Portage Lake and River, in Houghton county.

Whereas, Portage Lake is distant about four miles from Keweenaw Bay, (Lake Superior,) connected therewith by Portage River;

And whereas, A company has been duly organized, under the laws of the State of Michigan, having for its object the improvement of said river, so as to admit the passage of steamers and sail vessels into Portage Lake;

And whereas, Said company levy high rates of toll upon steamers and vessels passing through said river, which is but partially improved, making it very difficult to navigate, the channel being too narrow, crooked, and not of sufficient depth, the larger steamers and vessels being compelled to lighten before they can pass through;

And whereas, The "District of Portage Lake" is the principal point of business on the range, being central in position, and producing, at present, about two-thirds of the entire copper annually shipped from Lake Superior; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That our Senators in Congress and the members of the House of Representatives be requested to use their influence to obtain from Congress an appropriation, in money, with the view of getting control of, and improving said Portage Lake and river.

Whereas, The State of Michigan has by a recent act of her Legislature, appropriated the sum of eight thousand dollars for a geological survey of the State;

And whereas, The United States are largely interested in the rapid development of the well-known mineral resources of the

Upper Peninsula, having yet unsold, in that portion of the State, a large area of mineral land; thereupon, be it

Resolved by the Senate and House of Representatives of the State of Michigan, That our Senators are hereby instructed, and our Representatives requested to ask of the Congress of the United States such annual appropriations, not less than eight thousand dollars, for a period of three years, to aid in such survey, as the interest and propriety of the United States, within the limits of the State of Michigan, would seem to justify and require.

Resolved, That the Governor be requested to transmit copies of the foregoing preamble and resolutions to each of our Senators and Representatives in Congress.

JOINT RESOLUTION assenting to the transfer of title from the State of Pennsylvania to the United States, of the Soldiers' National Cemetery, at Gettysburgh, Pennsylvania.

Whereas, Under the provisions of act number one, session laws of eighteen hundred and sixty-four, and act number one hundred and eighteen, session laws of eighteen hundred and sixty-five, the sum of six thousand dollars was appropriated from the war fund, for the purposes of paying the proportion of this State of the estimated expense of the Soldiers' National Cemetery, at Gettysburgh, in the State of Pennsylvania, most of which has been expended;

And whereas, By formal resolution of the board, all States participating being represented, the State of Pennsylvania was asked to transfer the title and care of the cemetery to the United States;

And whereas, The State of Pennsylvania has transferred the title of said cemetery, which before existed in that State alone, to the United States, conditioned solely upon the ratification

of the Legislatures of all States from whom appropriations had been received; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That as all national cemeteries should be under national control, we do hereby assent to the transfer of title from the State of Pennsylvania to the United States, of the Soldiers' National Cemetery, at Gettysburgh.

Whereas, Elmina Brainard, of the city of Pontiac, in the county of Oakland, and State of Michigan, on the breaking out of the war of the rebellion, did immediately repair to the scene of conflict, and for four long and weary years followed with tireless tread, the bloody path of war, and without recompense or expectation of reward, administered with ceaseless and untiring devotion to the care of the sick and the relief of the wounded of our unfortunate and suffering soldiery;

And whereas, The said Elmina Brainard is, notwithstanding her limited pecuniary resources, continually devoting her attention and means to relieving the distress and providing for the comfort of those patriotic sons of the nation who so nobly defended the liberties of their country, and are now suffering from wasting disease or painful wounds, contracted or received during the memorable years of that terrible conflict; therefore, be it

Resolved by the Senate and House of Representatives of the State of Michigan, That our Senators in Congress be instructed, and our Representatives requested to use their influence to secure the enrollment of the name of Elmina Brainard on the books of the proper department, and the payment to her of a pension, equal to at least eight dollars per month, for and during her natural life.

JOINT RESOLUTION to forfeit the lands granted to the Marquette and Ontonagon Railroad Company, and to confer the said grant of lands upon some other company.

Whereas, By act of Congress, entitled "An act making a grant of alternate sections of the public lands to the State of Michigan, to aid in the construction of certain railroads in said State, and for other purposes," approved June third, eighteen hundred and fifty-six, a grant of land of six sections for each mile of road, was made by the general government to the State of Michigan, to aid in the construction of certain railroads, and among others, of a railroad from Marquette to Ontonagon, by which act it was provided if any such railroads should not be completed within ten years, no further sale of lands should be made, and the lands unsold should revert to the United States;

And whereas, All the lands, franchises, rights, powers, and privileges which have been or may be granted or conferred, in pursuance of said act of Congress, and of the several acts amendatory thereto, to aid in the construction of said railroad from Marquette to Ontonagon, have been granted to and vested in the Marquette and Ontonagon Railroad Company, a body corporate in the State of Michigan, by act of the Legislature of said State, approved March 17, 1863, by which act such railroad company was required to complete twenty continuous miles of its railroad within two years from the first day of July then next ensuing, and twenty miles a year thereafter until the remainder was completed;

And whereas, By act of Congress, entitled "An act extending the time for the completion of the Marquette and Ontonagon

Railroad," approved June eighteenth, eighteen hundred and sixty-four, the time limited for the completion of said railroad was extended five years beyond the time fixed for its completion by said act of Congress, of June third, eighteen hundred and fifty-six, provided the State of Michigan should have the same control over said grant of lands extended which was given said State under said original act of Congress, and said State might prescribe the time within which the several sections of said road should be completed;

And whereas, By act of Congress, entitled "An act to extend the time for the completion of certain railroads to which land grants have been made in the States of Michigan and Wisconsin," approved March third, eighteen hundred and sixty-five, four additional sections of land for each mile of road was made to the State of Michigan, to aid in the construction of certain railroads in the State of Michigan, and among others, for the use and benefit of the Marquette and Ontonagon Railroad, provided that none of the additional lands granted by such act for that portion of the Marquette and Ontonagon Railroad Company then completed, should be certified to the State of Michigan by the terms thereof, until the said railroad should be completed from a point twenty miles west of Marquette to Ontonagon. And it was also enacted by said law of Congress that said Marquette and Ontonagon Railroad Company should grade in a good and substantial manner, ready for the ties, twenty miles of its road within two years, and twenty miles additional thereof in each year thereafter: *Provided*, That if said company should fail to do so, the land granted to such company should revert to the United States;

And whereas, Said Marquette and Ontonagon Railroad Company having failed to comply with the requirements of the several acts of Congress, and having failed to grade twenty miles of its railroad within two years, and twenty miles of its road each year thereafter, and having graded or constructed but twenty miles of its road in all, and the lands granted to aid

in the construction of said railroad having become forfeited to the United States;

And whereas, The Congress of the United States by joint resolution, entitled "Joint resolution concerning certain lands granted to railroad companies in the States of Michigan and Wisconsin," approved May twentieth, eighteen hundred sixty-eight: *Resolved*, That the failure to grade twenty miles of the roads within two years of the passage of the act entitled "An act to extend the time for the completion of certain railroads to which land grants have been made in the States of Michigan and Wisconsin," approved March third, eighteen hundred and sixty-five, and twenty miles additional thereof in each year thereafter, as required by said act, should not cause any forfeiture or reversion to the United States, of any lands granted to the said States, or either of them, to aid in the construction of the railroads described: *Provided*, That said companies, or either of them, should fully complete their said railroads in the manner required by law, on or before December thirty-first, eighteen hundred seventy-two, at which time a failure should forfeit the lands to the United States: *And provided*, That the provisions of such sections should apply only to certain projected lines of railway, among which was the chartered and projected line of railway from Marquette, in the State of Michigan, to Ontonagon, in the same State: *And provided further*, That if the said Marquette and Ontonagon Railroad Company, in the State of Michigan, should not have completed, according to law, ten additional miles of their railroad on or before the first day of January, eighteen hundred sixty-nine, and should not in like manner complete ten miles of said railroad in each year thereafter, then it should be lawful for the Legislature of the State of Michigan to declare the grant of lands to said company to be forfeited, and to confer the said grant of lands upon some other company, in the same manner as if the said grant was then for the first time made to the said State of Michigan;

And whereas, The said Marquette and Ontonagon Railroad Company have failed to complete the ten additional miles of their said railroad, as provided in said joint resolution of Congress, or to complete any portion thereof, and the Legislature of the State of Michigan, in consequence of the failure of said Marquette and Ontonagon Railroad Company, is lawfully authorized to declare the grant of lands to said company to be forfeited, and to confer the said grant of lands upon some other company, in the same manner as if the said grant of lands was for the first time made to said State of Michigan by said joint resolution of Congress;

And whereas, It is the duty of the Legislature to demand the completion of said railroad, and to declare the grant of land to said Marquette and Ontonagon Railroad Company forfeited, if the purposes of such grant as mentioned in said joint resolution of Congress, are not carried out by said company; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That if the said Marquette and Ontonagon Railroad Company shall fail to fully construct and complete, according to law, fifteen additional and continuous miles of its railroad, commencing at the village of Ontonagon, on or before the first day of January, one thousand eight hundred and seventy, the grant of lands to said Marquette and Ontonagon Railroad Company shall thereupon be and become forfeited.

And be it further resolved, That if the said Marquette and Ontonagon Railroad Company shall fail to construct and complete ten additional miles of its railroad each year after the first day of January, eighteen hundred and seventy, and to fully complete such railroad within the time, and in the manner required by said joint resolution of Congress, the grant of land to such company shall also be and become forfeited.

And be it further resolved, That no additional lands shall in any event or for any cause, be granted or patented to or conferred upon said Marquette and Ontonagon Railroad Company, for any work hereafter done upon said road, or the construction of any part thereof, unless the said railroad company shall

fully construct and complete, according to law, the fifteen additional and continuous miles of such railroad, commencing at the village of Ontonagon, on or before the said first day of January, eighteen hundred and seventy.

And be it further resolved, That if the said Marquette and Ontonagon Railroad Company, shall not within thirty days hereafter, accept the terms and conditions of this joint resolution, and declare its intention to comply with the terms thereof in the construction of such road, which acceptance and declaration shall be embodied in a written instrument, signed by the president, and attested by the secretary and corporate seal of said company, and shall also file such written instrument of acceptance and declaration in the office of the Secretary of State within said thirty days, the land grants to said Marquette and Ontonagon Railroad Company shall thereupon be and become forfeited.

And be it further resolved, That in the event of the lands granted to the said Marquette and Ontonagon Railroad Company, to aid in the construction of such railroad, becoming forfeited, as provided by said joint resolution of Congress, and in pursuance of this joint resolution, the railroad board of control of this State is hereby authorized and empowered to confer such grants of land upon some other company, which shall first give security satisfactory to said board of control, to construct and complete said railroad according to law; and immediately thereafter said board of control shall file a certificate in writing, of their action in the premises, in the office of the Secretary of State, whereupon said grants of land shall be and become confirmed in and to said company, and said company thereupon, by virtue of this joint resolution, shall be subject to all the obligations, restrictions and requirements, and have and enjoy the same rights, privileges and immunities belonging to said Marquette and Ontonagon Railroad Company.

And be it further resolved, That said other company upon which the said lands may be conferred, shall in such case con-

struct and complete such railroad according to the requirements of this joint resolution.

This joint resolution shall take immediate effect.

JOINT RESOLUTION providing that the swamp land grants for roads in the Upper Peninsula may be used for the construction of road-beds for tram, train, or railroads.

Whereas, Grants of swamp land have been made by the State for building roads in the Upper Peninsula of Michigan;

And whereas, It would greatly accommodate the necessities of the people in that section, and equally meet the purposes of the grants, by allowing said lands, or such portions thereof as may be deemed advisable, to be used in the construction of tram, train, or railroads; therefore,

Resolved by the Senate and House of Representatives of the State of Michigan, That the swamp lands appropriated by any law for the construction of roads in the Upper Peninsula of Michigan, be and the same hereby are authorized to be used in the construction of road-beds for a tram, train, or railroad over the same route for which such grants were originally intended: *Provided*, That such tram, train, or railroad shall be as well ditched, and the lands through which the same runs be equally as well drained, as required in building the road for which such appropriations were originally made.

JOINT RESOLUTION in relation to the claim of the State against E. H. Hazelton & Co.

Whereas, It appears by the report of the State Treasurer that there has been paid upon this claim over thirty thousand dollars, and by the memorial of George M. Dewey that the same was received from collaterals voluntarily turned out by him, which amount includes the accumulated interest on said collaterals;

And whereas, It appears that the security to the State by mortgage may prove insufficient;

And whereas, Said George M. Dewey proposes to pay the balance of the principal of said debt in lands, at a reasonable price, on being discharged from further liability;

Resolved by the Senate and House of Representatives of the State of Michigan, That the Board of State Auditors be and they are hereby authorized to examine the claim of the State against the said George M. Dewey, and the security held for the payment of the same, and if they shall deem it for the best interests of the State, may determine the amount of the principal due on said mortgage, after deducting the amount received from collaterals, and may discharge the said Dewey from further liability as to the debt and the lands of said Dewey embraced in said mortgage, on his paying the balance of said principal so found to be due; or may give further time for the payment of the same, upon receiving satisfactory security for the payment of the same at such time as may be agreed upon;

JOINT RESOLUTION to authorize the Governor to convey certain State lands to Henry A. Shaw, of Eaton county, as the grantee of Daniel J. Spencer.

Whereas, Daniel J. Spencer, under an act entitled "An act to provide for the settlement and drainage of the swamp lands by actual settlers," approved February fifteenth, one thousand eight hundred and forty-nine, entered upon the south-east one-fourth of the south-west one-fourth of section nine, in town one north, of range number four west, in the county of Eaton, and complied with all the conditions of said act;

And whereas, On the fourth day of September, one thousand eight hundred and sixty-six, on proof of such compliance, he made application for a patent therefor, which was granted, and a patent intended for said lands was issued to said Spencer, but by an error, the south-west of the south-west was entered therein instead of the south-east of the south-west;

And whereas, The said Daniel J. Spencer, on the twenty-fourth day of October, A. D. one thousand eight hundred and sixty-six, conveyed said lands by warrantee deed, to Andrew N. Sowle, following the description inserted in said patent;

And whereas, The said Andrew N. Sowle conveyed said lands, viz: The south-west one-fourth of the south-west one-fourth of section nine, and the south-east one-fourth of the south-west one-fourth of said section to Henry A. Shaw, August fifth, eighteen hundred and sixty-seven;

And whereas, The said Henry A. Shaw has the legal title of the south-west one-fourth of the south-west one-fourth of said section, and the equitable title to the south-east one-fourth of the south-west one-fourth of said section;

And whereas, His said grantees, Spencer and Sowle, have gone to parts unknown; therefore,

JOINT RESOLUTION asking the General Government for the substitution of any vacant or unappropriated sections for odd sections, in the appropriation of lands to aid in the construction of wagon roads, to extend the time of construction, and to authorize the State to sell the same.

Whereas, Congress, by an act approved June twentieth, eighteen hundred and sixty-four, appropriated to this State, for the purpose of constructing two wagon roads, one from Grand Rapids to Mackinaw, and the other from Saginaw city to the same place, certain lands, in odd sections;

And whereas, The early completion of these roads is deemed to be of great importance to the localities through which they will run, as well as to the State at large, connecting with good and substantial lines of communication two extremities of the State, for much of the year greatly in need thereof;

And whereas, The appropriation, as it now stands, is deemed inadequate to the undertaking; therefore, be it

STATE TREASURER'S ANNUAL REPORT—1868.

STATE OF MICHIGAN, STATE TREASURER'S OFFICE LANSING, Nov. 30th, 1868.

To the Legislature of the State of Michigan:

GENTLEMEN—In compliance with the requirements of law, I herewith submit the Annual Report of this Department for the fiscal year ending November 30th, 1868.

The bal. of cash in the treasury Nov. 30, 1867, was \$582,118 96

The receipts during the fiscal year, were..... 2,222,627 47

\$2,804,741 43

The total payments during the fiscal year, were.. 1,674,511 76

Leaving a balance in the treasury, of.....\$1,130,229 67

The payments maturing January 1st, 1869, are as follows:

War Loan Sinking Fund..... \$185,000 00

Semi-annual Interest..... 100,000 00

For current State expenses..... 40,000 00

For balance of appropriations..... 22,000 00

\$347,000 00

The policy of depositing in National Banks the surplus funds in the treasury, adopted and pursued last year, has been continued. During the present year there has been received for interest on the same, the sum of \$29,359 94.

Upon a critical examination of the "War Loan Sinking Fund," from its origin, it was ascertained that in pursuance of the provisions contained in Act No. 5, extra session of 1861,

\$185,000 of War Loan Bonds could be legally drawn for payment. In compliance with that Act, I have drawn the same for redemption on January 1st, 1869, at which time, if they are not presented for payment, interest thereon will cease.

The provisions of Act No. 122, Laws of 1867, imposing a specific tax upon the National Banks, have been partially complied with.

Thirteen banks have paid all the tax as the same became due. Five banks have paid three installments, being now delinquent for the tax due Oct. 1st, 1868. Eight banks are delinquent for the installments due in April and October, 1868. Thirteen have paid but one installment, and three have paid none. The amount received from this source has been—

For tax of 1867.....	\$29,596 76
“ “ 1868.....	27,762 97

Agreeable to the provisions of Act No. 140, laws of 1867, the Express Companies, doing business in this State, have paid their specific tax, amounting to \$1,937 11, as follows:

Merchants' Union Express Co.....	\$1,035 62
American Express Co.....	627 48
United States Express Co.....	274 01

Under the provisions of Act No. 123, laws of 1867, I forwarded blanks for reports and circulars, calling attention to the law, to the several Telegraph Companies doing business in this State. I received no response excepting from the North Western Telegraph Co., who reported as required by law, and paid the tax, amounting to \$126 13. On August 24th, I wrote the Attorney General, requesting him to take immediate steps to enforce the payment of this tax by the other companies. I am unadvised of what action, if any, he has taken in this direction.

In February last, at the request of Gov. Crapo, I accompanied him to Washington to assist in effecting with the General Government an adjustment of the claim then held by the State for expenditures made during and on account of the war. Before our return the settlement of this claim was so

far advanced, and such assurances received from the Third Auditor and Second Comptroller as to insure the prompt adjustment and payment of the claim as far as possible, in conformity with existing laws. Since that time there has been received into the Treasury through the hands of Governor Crapo, on account of said claim, \$188,900 85.

While at Washington a settlement was also effected of the claim that had long existed against the United States, for Swamp Lands, (known as Green Lands,) which were sold by the General Government after they had been ceded to this State by Act of Congress. From this settlement the State has received \$10,475 82 in cash, and 19,849 87-100 acres of land.

Among the collateral securities obtained from George M. Dewey and Edmund H. Hazelton, in December, 1859, were certain notes of the F. & P. M. R. R. Co., which were subsequently prosecuted, and judgment for \$19,304 07 obtained on the same in September, 1862.

In 1865 and 1866, \$11,400 59 was received on account of this claim. During the past year the final payment of \$7,903 48 was received and placed to the credit of Suspense Account; also interest on the same, amounting to \$11,073 74, which was placed to the credit of the General Fund.

To meet the demands of the Quartermaster General's Department, for funds to pay the balance of bounties due the soldiers, under the provisions of Act No. 85, session of 1865, \$25,000 of War Bounty Bonds were issued, which were purchased and retired by me for the Sinking Funds.

From an estimate made in May last of the probable receipts and disbursements of this Department, (anticipating that at least \$175,000 would be received from the United States on account of our war claim,) it appeared that there would be at the close of the fiscal year, about \$200,000 that could safely (and as I judged properly,) be used in retiring that amount of the bonded debt of the State. Entertaining the opinion that it is the true policy of the State to reduce its bonded indebtedness as rapidly as it can be done without inconvenience to the

people, I decided, after consultation with the Governor, to purchase and retire, if possible, \$200,000 of the Two Million Loan Bonds, due January 1st, 1873. In pursuance of this determination, I ordered, early in June, through the State depositories at Detroit, the purchase, at the market quotations in New York, (then 95,) of the amount and class of bonds proposed to be retired; but failing to obtain them, on the 25th of September I directed the bid advanced to 98½, with instructions to still farther advance the bid to par if at the end of a week it should be found they could not be reached at the last named figure. Notwithstanding this was done, and the offer of par made daily to the present time, I have been able to purchase and retire but \$3,000 of this class of bonds.

Having failed to obtain the bonds first falling due, I accepted an offer in November, and purchased and retired \$16,000 of Renewal Loan Bonds, due in July, 1878, at 94c., and accrued interest from July 1st; also, \$6,000 of Two Million Loan Bonds, due in January, 1878, at 95½c., and accrued interest from July 1st.

At the same time I was offered \$14,000 of Sault Ste. Marie Canal Bonds, due in July, 1879, at 94c., and accrued interest from July 1st. The amount to the credit of the Canal Fund being sufficient to retire this amount of bonds and to meet all possible demands upon it, I deemed it but just to the Canal to accept the offer, and purchased and retired the bonds, relieving the fund thereby of the interest on the same, as well as the amount of the discount.

There is now in the Two Million Loan Sinking Fund \$42,000. The educational funds for the past five years have yielded an annual average of receipts of \$155,000. Taking this basis as the estimate for the next four years, there will be received from this source \$620,000. During the same time, should the equalization of 1871 (as it is presumable) increase the valuation of the taxable property in the State to \$400,000,000, the 1-8 mill tax will yield \$165,000, making a total of \$827,000, while the demands to be provided for amount to \$497,000.

During the five years from 1873 to 1878, the receipts into the Sinking Fund from the Educational Funds will be \$775,000, and from the $\frac{1}{2}$ mill tax, \$250,000, which, added to the surplus of 1871, will produce \$1,355,000—the demands against it being only \$694,000.

The War Debt is also amply provided for. \$185,000 will be paid January 1st, 1869, and at least \$75,000 during the next three years, from the 1-16 mill tax and surplus of interest. From 1872 to 1877, inclusive, \$125,000 more, taking the estimate already given as the basis for this calculation.

These facts show conclusively that our present rate of taxation is sufficient to pay our State debt as fast as it matures.

Under these circumstances—our inability to purchase our bonds at par, the ample provision to retire them at maturity, and the fact that the surplus funds in the Treasury are earning four per cent. interest—it would appear to be the truest economy to lessen the State tax for general purposes for the next two years. In the meantime, our resources are steadily increasing, while it is hoped that taxation by the United States will be diminishing.

The statement in the foregoing report, showing the condition of the Sinking Funds, was made in compliance with law, and according to the ruling and usages of this Department for the past six years, and exhibits the same, as appeared from the books of this office on Nov. 30th, and corresponded with the books of the Auditor General.

Since that time the Auditor General, from an examination of the books of his Department, has ascertained that a surplus remains from the Specific Taxes, after paying the interest upon the Educational Funds; which, by the provisions of Sec. 1, Art. 14, of the Constitution, it is claimed, should be applied—so far as necessary for that purpose—to the payment of the interest on the State debt, and the remainder to the drawing of War Loan Bonds.

Should this be conceded, and the surplus of the Specific Taxes be transferred to the Sinking Funds, there will be, without anticipating anything from the surplus of 1869, about \$455,000 applicable to the purchase and drawing of State Bonds.

Treasurer of the State of Michigan, in account with the State of Michigan.
